Dear Greg and Patricia

I am writing on behalf of SBS Radio to express our deepest condolences and sincere sympathy at the passing of Caroline.

Caroline will be fondly remembered as a very dedicated and talented broadcaster who was much loved by all in SBS Radio. Since she started as a broadcaster for the Slovenian Program in September 2001, she has always approached her work with utmost professionalism.

She applied herself fully to the job, earned the respect of her colleagues and the community at large and was much loved by her audience.

Words can hardly express our sorrow and sense of loss at this moment. Caroline will be deeply missed by us all at SBS Radio.

On this sad occasion, and on behalf of all at SBS Radio, please accept my personal sympathy and condolences.

Kindest regards
