SLOVENIAN SCHOOLS COMMITTEE OF N.S.W.
ANNUAL GENERAL MEETING 1983
PRESIDENT'S REPORT

The 1982/83 period for the Slovenian Schools Committee, was a relatively quiet year. However, problems did arise, which have yet to be resolved.

Our main concern should be the welfare of the students undertaking the Slovenian language course. Class sizes and constitution have proved a problem. The Ashfield class, taken by Mrs. Sušnik, has 16 students enrolled, ranging from Year 7 to Year 10. The Bankstown class has 26 students enrolled, ranging Year 7 to Year 10. This group has proved too large for one room and so has been split up into two classes. Year 7/8 in one and Year 9/10 in the other. I have had to rotate from one room to the other during the two hour period. As can be appreciated, this is not an ideal learning situation. Mrs. Sušnik, although stationed in one room, faces similar problems. Mrs. Ličan has a class of Year 11 and Year 12 students. The group of 9 students are working well.

An effort was made this year to remedy the situation. It was hoped Ashfield and Bankstown classes could combine. However Departmental investigation showed parents disapproved of such a move. Therefore the plans were dropped. I propose that in the coming year, a great effort be made in solving the problem, which in the opinion of teachers involved, is urgent. It seems obvious that parents need education about the situation, since only with their support can a solution be found.

At this point I would like to thank Mrs. Sušnik for volunteering her expertise in taking over Mrs. Ličan's class during Mrs. Ličan's absence last year. Likewise Mrs. Pelcar, for replacing me while I was on Maternity Leave. The Committee appreciates your help and co-operation.

The Multicultural Grant for 1982/83 has given the Committee problems. The grant was given in 2 parts. Initially \$ 900, to be followed by a further grant of \$ 800. Much effort and time, by individual members, went into developing resources. Only those involved can appreciate how much work is involved in such a task. A report was written up as a prerequisite for receiving the second amount. Mr. Menart kindly forwarded the report to the Department. As yet, no reply has been received from the Department in the matter.

The Higher School Certificate Candidates Ball 1982, was successful in the support and publicity it generated, even if not a financial success. A significant undertaking by the members of the School Committee, in the organisation of future balls, will give the various member Clubs a chance to take responsibility for the organisation on designated years.

As a conclusion to this report, I would like to remind each member of the Committee, that it is the responsibility of each member to contribute to the tasks undertaken by the Schools Committee. Remember also, that the teachers already are contributing in a major way. "Their cups have often overflowed". Much of their work goes unnoticed. This is particularly true in Mrs. Ličan's case, due to the policy of confidentiality by the Department.

Please keep this in mind when there is a task before us. Work that can be done by other than a teacher, should be designated accordingly.

Dragi g. Kobal!

Spoštovani šolski odbor!

Po dogovoru z g. čuješem konec julija 1989 Vam pošiljamo predlog programa Slovenske poletne šole v Avstraliji. Novi čas, ki se obeta tudi v SR Sloveniji, zahteva tudi nove, sveže in racionalnejše rešitve kot doslej, zato je pobuda za "potujočo šolo" več kot hvalevredna.

Predvidevamo, da bi na ta način lahko vzpodbudili ne samo tiste Slovence, ki slovenščino gojijo tudi v novi domovini, temveč tudi one, ki jo morda že pozabljajo. Taka šola bi bila prav gotovo dodatna vzpodbuda za ohranjanje slovenske jezikovne zavesti. Obenem pa bi se sodelujoči lektorji iz Slovenije tudi sami poučili o dejanskem položaju Slovencev v Avstraliji.

Prvo leto bi bilo še preizkusno. Organizacijski odbor bi za sedež šole moral izbrati primeren objekt, ki bi bil ustrezno opremljen. Fonolaboratorij in pripadajoča avdiovizualna sredstva so zaželeni, niso pa neobhodno nujna. Če bi udeleženci šole pouk obiskovali od doma, potem bi morala biti šola umeščena v tako okolje, kjer je koncentracija Slovencev zares velika. Toda v takem primeru bi bili izloženi vsi drugi kraji, kjer so tudi Slovenci. Zato se nam zdi veliko boljša taka šola, ki bi bila organizirana v stilu kolidža: da bi študentje v istem objektu bivali, se hranili, delali in se zabavali. V Poletni šoli slovenskega jezika v Ljubljani imamo zdaj že drugo leto izkušnje s takim tipom šole in priznati moramo, da so rezultati več kot ugodni: zelo se poveča intenzivnost dela, obenem pa je zadosti časa tudi za dodatne aktivnosti in družabno življenje.

Pričakujemo, da bi bila šola v času januarskih poletnih počitnic in bi bili udeleženci predvsem študentje in dijaki, zato bi morali izbrati tudi zadosti atraktivno okolje take internatske šole, tako da bi v prostem času

počitnic željna mladina lahko svoje zaslužene počitnice tudi izkoristila. Nasprotno pa so starejši udeleženci v taki šoli več kot dobrodošli: v delo in življenje skupine vnašajo potrebno resnost in zavzetost.

Predvidevamo, da bi bil poudarek šole na jezikovnem usposabljanju. Zaenkrat lahko nudimo skupino štirih ali več mlajših lektorjev, ki je že preizkušena z večletnim delom v Poletni šoli v Ljubljani. Samo po sebi je razumljivo, da celotne Poletne šole le ne moremo preseliti s Filozofske fakultete v Ljubljani v Avstralijo. Zato bi skupina štirih ali več lektorjev (odvisno od števila študentov) poleg svojega lektorskega dela pokrivala še seminarske aktivnosti z obravnavo sodobne slovenščine, njenega ustroja, knjižnega jezika in narečij, njegove zgodovine, slovenske književnosti, umetnostnega utripa v Sloveniji, sodobnega političnega dogajanja v Jugoslaviji itd. Ostala področja slovenskih nacionalnih ved pa bi isti strokovnjaki lahko interpretirali na podlagi znanstvenih besedil priznanih slovenskih strokovnjakov za področja geografije, zgodovine, etnografije, umetnosti itd.

Ista skupina je usposobljena tudi za vodstvo gledališke in novinarske delavnice.

Več kot zaželeno bi bilo zato tudi sodelovanje strokovnjakov, ki so za vsa "deficitarna področja" opisane šole prav gotovo tudi v Avstraliji. Morda so tudi v Avstraliji ljudje, ki se ukvarjajo s slovensko zgodovino, etnologijo, umetnostjo itd., ne dvomimo pa, da bi avstralski Slovenci lahko v taki šoli vodili folklorno in glasbeno delavnico. Predvsem pa bi si želeli sodelovanja vseh v Avstraliji že delujočih učiteljev slovenščine. Od takega sodelovanja bi gotovo imeli koristi oboji: mi kot tudi oni.

Udeleženci šole pa bi pridobili nova spoznanja (morda celo prva) o Sloveniji, Slovencih in slovenščini, tako da bi ob morebitnem prihodu v Slovenijo ta vedenja samo še poglobljali.

Avstralski organizatorji bi morali zagotoviti lektorjem iz Slovenije namestitev, prehrano in primerno plačilo. Če pa potnih stroškov za lektorje ne bi uspeli kriti Vi, bi skušali sredstva za pot zbrati mi. Zato moramo čim prej izvedeti, ali je mogoče šolo organizirati že letos. To nam, prosimo, sporočite takoj, ko je mogoče; natančen program in

podrobno organiziranost šole lahko oblikujemo tudi kasneje. Dovzetni smo za Vaše predloge, pobude in sugestije. Prepričani smo namreč, da zgodovinske priložnosti, ki se nam ponuja, ne gre puščati vnemar. Upamo, da bomo naša skupna prizadevanja lahko uskladili in več kot odlično idejo uresničili.

Dotlej pa čakamo na Vaš odgovor.

S pristržnimi pozdravi!

Dear Stan

I am in receipt of your letter in which you have asked me to reconsider my resignation.

Firstly, I would like to say, that it was very heartening to receive this letter. I admit that in some way I felt good to see that the longlasting friendship with the members of the committee have not been shattered, despite the present situation. My sincere thanks for that.

However, I thought that my explanation and reasons concerning my resignation, as stated in my letter, were clear. Regretfully though, I cannot reverse my decision at this stage.

I thank you again for your kind consideration and I wish you all every success in the endeavour in undertaking and furthering the teaching of the Slovenian language in the NSW Higher School System.

Yours sincerely,
