Dear Sr Francka

As part of my general community involvement I am a member of a number of committees. Unfortunately one committee, of which I am president, is having a presentation night recognizing the excellent achievements of some of its members.

I am required to make the presentations on the night of November 24, the same night as the HSC graduates' ball.

It is with regret that I must decline your invitation to the ball as my previous experiences of it have been most memorable.

Please wish the students and the Slovenian community a happy and successful ending to 1990 and a prosperous 1991.

Dear Mrs Lican,

The Bankstown Centre of the Saturday School of Community Languages is having a presentation day on the 30 November 1991.

In the past it has been our practice to present the Dux (the first placed student) of Year 12 2 Unit Slovenian with a book.

I would be very grateful if you would consider donating a suitable book for this presentation.

Yours sincerely

A. M. D'Abrera
Supervisor

28th May '91.

To Whom It may Concern,

I, Marie Williamson Vice President of the Slovenian Schools Committee, wish to tender my resignation from the position.

I feel that the committee is doing such a great job and seeing that I ^{am} no longer an active employee of the Saturday School it would be very hypocritical for me to hold down such a position particularly with no hands on experience and personal involvement.

Thank you very much

Yours sincerely

Dear Sir,

The members of the Slovenian Schools Committee of NSW respect, and gratefully assist in your endeavour to fairly and equitably re-organise the radio broadcasts of various nationalities.

At same time, we would like to express our fear that the hours of the Slovenian Programme broadcast may be reduced. This would adversely affect the community as the programme plays an important role in the teaching and administration of the Slovenian language at our schools: the primary School in Merrylands, Secondary School in Bankstown, and the Slovenian course at Macquarie University.

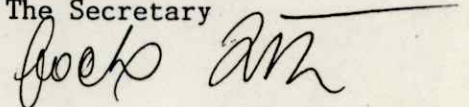

The Slovenian Programme is significant in its educational and cultural instruction role, and has proven effective in reaching Slovenians who otherwise would not be readily accessible.

In hope of your understanding,

Yours Faithfully,

Spoštovani,

V prilogi, prosimo, sprejmite povabilo na letni občni zbor, ki bo na cvetno nedeljo, 12. aprila 1992 v našem Verskem središču v Merrylandsu, takoj po maši.

Naprošamo Vas, da se, če le morete, zbora udeležite. Prosimo tudi vse, ki še niste poravnali članarine za 1991 in 1992, da to storite čimprej. Vsak finančni član ima pravico volitev in zasedbe mesta v odboru.

Če ste, pred sprejetjem tega pisma, že poravnali svojo članarino za obe leti in še niste prejeli našega potrdila, prosimo, vrnite nam obrazec za članarino z Vašo pripombo.

Priporočamo se tudi za vse pismene predloge in ideje, če se zbora nikakor ne morete udeležiti. Vaše aktivno sodelovanje, četudi morda samo po pošti, nas bo zelo razveselilo, saj je v interesu vseh članov in zaupanega odbora, da ohranimo slovenski jezik v Avstraliji in da vsem pokažemo, kaj Slovenec zmore doma in po svetu.

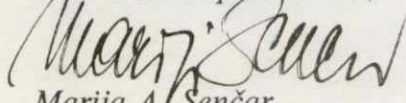

Čas je že, da vsakomur poznano slovensko trmoglavost po tisočih letih koristno izrabimo in jo usmerimo na pravo pot slovenske zavednosti in slovenske pripadnosti.

Z jezikom, v katerem so napisana vsa kulturna dela nekega naroda, z lepo in bogato slovensko besedo, govorjeno in napisano, povejmo svetu, od kod smo, kaj smo in kaj se pričakuje od nas po tisočih letih.

Ne smemo več zapirati znanja in ljubezni, ki ju imamo, v svojih srcih in svojih domovih. Sedaj je prišel čas, ko moramo odpreti okna in vrata in dati vse, kar imamo: slovensko dušo, slovensko srce, slovensko besedo, slovensko knjigo... . Dati moramo vsakomur vse, kar je slovenskega. Preje smo se mi ukvarjali s svetom, sedaj pa se naj svet ukvarja z nami.

*Po tisočih letih trpljenja, samozaničevanja in samozatajevanja, je že čas, da se kralj Matjaž zbudi iz svojega spanja in s svojimi zvestimi vojaki - **SLOVENC**I - ponosno in trdno zakoraka v svet. Torej se vidimo!*

Slovenskim pozdravom,

Re.: The Slovenian National Association

Dear Madam,

I wish to inform you that the Slovenian National Association cease to exist in January 1990, when The COMMITTEE FOR DEMOCRATISATION OF SLOVENIA was formed, or then about.

Most of the members of The Slovenian National Assn., which was then the only political organisation of Slovenians in Australia for Free Slovenia, joined the above mentioned Committee. That time it was supporting free elections in Slovenia.

Your sincerely,

Dear Mr Cvetkovich

We are writing to you on behalf of the Slovenian Schools Committee of NSW, which is seeking to gain sponsorship to finance the upcoming Year 12 Slovenian Graduation Ball, due to be held on Saturday 28 November 1992. As a respected member of our Slovenian Community, we felt that you may be interested in contributing to this cultural event.

For the past thirteen years, the Slovenian Schools Committee of NSW has held a formal ball in honour of the Year 12 Slovenian language graduates of the Higher School Certificate. The event has been successful in promoting cultural awareness, and fostering pride in the Slovenian language; not only amongst the young students, but throughout the Slovenian Community in New South Wales.

The success of the Graduate's Ball depends on appropriate organisation and management of program presentation, ticketing and program typesetting, staging and providing sound and lighting equipment. "Slovenska Izselska Matica" in Slovenia have supported the teaching of the Slovenian language here in NSW since its beginnings and each year honour the graduates with a gift. Traditionally, Year 12 graduates have also received a commemorative plaque on behalf of the Slovenian Schools Committee.

Unfortunately, our committee is experiencing some difficulty in funding this year's Graduate's Ball. For this reason, we are approaching you, in the hope of securing your financial support. By way of reciprocating we will provide advertising space in the program booklet for Graduate Ball sponsors.

Any assistance towards the financing of the Year 12 Graduate Ball would be greatly appreciated by the whole of the Slovenian community.

Yours faithfully

Dear Mr Lajovec

We are writing to you on behalf of the Slovenian Schools Committee of NSW, which is seeking to gain sponsorship to finance the upcoming Year 12 Slovenian Graduation Ball, due to be held on Saturday 28 November 1992. As a respected member of our Slovenian Community, we felt that you may be interested in contributing to this cultural event.

For the past thirteen years, the Slovenian Schools Committee of NSW has held a formal ball in honour of the Year 12 Slovenian language graduates of the Higher School Certificate. The event has been successful in promoting cultural awareness, and fostering pride in the Slovenian language; not only amongst the young students, but throughout the Slovenian Community in New South Wales.

The success of the Graduate's Ball depends on appropriate organisation and management of program presentation, ticketing and program typesetting, staging and providing sound and lighting equipment. "Slovenska Izselska Matica" in Slovenia have supported the teaching of the Slovenian language here in NSW since its beginnings and each year honour the graduates with a gift. Traditionally, Year 12 graduates have also received a commemorative plaque on behalf of the Slovenian Schools Committee.

Unfortunately, our committee is experiencing some difficulty in funding this year's Graduate's Ball. For this reason, we are approaching you, in the hope of securing your financial support. By way of reciprocating we will provide advertising space in the program booklet for Graduate Ball sponsors.

Any assistance towards the financing of the Year 12 Graduate Ball would be greatly appreciated by the whole of the Slovenian community.

Yours faithfully

President
