Dear Madam,

My name is Eleonor White, and I am the President of the
"HELP NATIONAL COMMITTEE".

This Committee was formed to help to raise funds for the Heart
Machine for the Children's Hospital in Ljubljana, Yugoslavia.

Last Year Mr. Spiros Charalambous has been selling the Raffle Tickets
for a Oil Painting to the Cipros Greek Community, and the lucky
winner was Mr. Michael Constantinou, 59 Lake View Pde. Primbee Wollongong.

I would very much appreciate if you dear Madam could spread the word
amongst your Greek Community, to help us in some way to raise the
Money with Donations for this great cause.

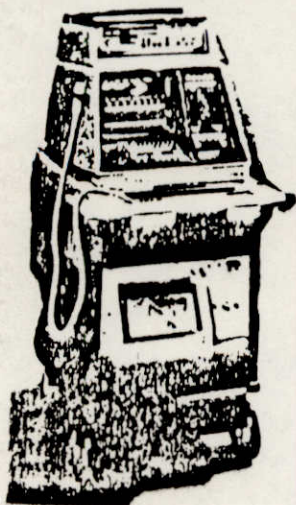

Included with this letter are photocopy of the Ultrasound (Eho-
Cardiograph) in question, and also notes Re-Correspondance, and your
Receipt of your Kind Donation.

Trusting, you can help me in this wonderful Struggle for the Children
of Yugoslavia.

Regards ,

Dear Ms White,

Your letter to the Minister for Foreign Affairs of 11 January 1986 containing a request for favourable consideration of the tax deductibility application by the HELP National Committee has been referred to this Bureau.

Applications for tax deductibility status have to be scheduled by the Australian Development Assistance Bureau (ADAB) in groups of about 5 or 6 for the Minister for Foreign Affairs' consideration (as outlined in the letter of 31 December 1985). As a group of applications was forwarded to the Minister in mid-January 1986, the next group is unlikely to be ready for submission until at least late February 1986.

You will be advised in due course of the outcome of these deliberations.

Nobena oseba ni mi predlagala in nobeno osebo nisem presilila. Sama sem začela in prosila ljudje za pomoč, ker verujem v naše Slovence, da so dobrega srca, da ne pustijo nobenega človeka v stiski najmanje pa otroke. Sem tako vesela, da imam saj enega človeka, da mi stoji ob strani in svetuje samo dobro ne slabo. Zato pa bom s večjo voljo bol dela da bomo uspeli s to Akcijo. Hvala Vam gospod Persič. Drugo leto bom spet prišla v Melbourne, ker to leto nemožem, grem za Brisbane in Adelaide.

Jaz upam da me boste še naprej moralno podpirali, ker res trebam veliko poguma in morale.

Za sedaj prejmite moje najlepše pozdrave kakor tudi gospe Persič.

Dear Mrs White,

I have been asked to reply to your letter of 25 July 1986, to the Minister for Foreign Affairs in which you requested advice regarding the application of HELP National Committee for eligibility in terms of Sub-Section 78(i)(a) LXII of the Income Tax Assessment Act.

The application by HELP National Committee was one of several applications which were "bunched" together to assist the Minister for Foreign Affairs to manage his paperwork. Because the application was one of the first received in the current batch it, unfortunately, has had the longest wait.. A second reason for the delay was a review of eligibility requirements undertaken by officials in the Australian Development Assistance Bureau. I expect the Minister for Foreign Affairs will consider a batch of applications in the near future.

The organisation, if approved by the Minister for Foreign Affairs, then must also satisfy the Treasurer about the acceptability of their overseas aid funds before the tax concession is actually granted by the Australian Government.

Dear Mrs White,

I have been asked to reply to your letter of 25 July 1986, to the Minister for Foreign Affairs in which you requested advice regarding the application of HELP National Committee for eligibility in terms of Sub-Section 78(i)(a) LXII of the Income Tax Assessment Act.

The application by HELP National Committee was one of several applications which were "bunched" together to assist the Minister for Foreign Affairs to manage his paperwork. Because the application was one of the first received in the current batch it, unfortunately, has had the longest wait.. A second reason for the delay was a review of eligibility requirements undertaken by officials in the Australian Development Assistance Bureau. I expect the Minister for Foreign Affairs will consider a batch of applications in the near future.

The organisation, if approved by the Minister for Foreign Affairs, then must also satisfy the Treasurer about the acceptability of their overseas aid funds before the tax concession is actually granted by the Australian Government.

Yours sincerely,

Dear Mr. Whitlam,

I would like to extend a hearty and warm welcome to you and your wife to come and relax and enjoy our Fund Raising Concert to be held on Sunday, 9th November, 1986, in Marton Hall, Kurnell, at 4 p.m.

The funds raised will go towards the purchase and supply of an Echocardiograph machine for the Children's Hospital in Ljubljana, Yuogslavia.

As you can see from the enclosed programme, the Kurnell Junior Theatre, of which I am President, is involved in some of the performances and I know it would give the children involved a great thrill if you could both come along.

I am enclosing for your information copies of correspondence and details of the medical equipment our Committee is endeavouring to supply to the Children's Hospital. This should give you an indication of my reasons for being involved in this very worthwhile charity.

To refresh your memory, I am Eleanor White and you might recall that I visited you in Paris in 1984 when you were with UNESCO.

I sincerely hope you and your wife will be able to join us on Sunday, November 9th. It would give me a great deal of personal satisfaction to meet with you both again and the people of Kurnell would also consider it a great honour if you would visit them.

Yours sincerely,

Eleanor White.

Spoštovana gospa White,

prejel sem Vaše pismo, ki ste mi ga pisali 16. 12. 1986 in v katerem poročate, da zbirate med avstralskimi Slovenci denar za nabavo aparata za otroško bolnico v Ljubljani. Dokumentacijo sem izročil uredniku Družine dr. Klemenčiču, da on odloči, kako in kaj more poročati v Družini, ker je to stvar uredništva. Priloženih 10 dolarjev sem izročil upravi Družine, da Vam pošljejo nekaj številčk Družine, kajti naročnina za celo leto ne zadošča. Če bi želeli še naprej naročiti Družino, boste videli v časopisu, koliko je naročnina in to lahko potem uredite.

Za Vašo akcijo, da pomagata otroški bolnici v Ljubljani, se Vam tudi sam iskreno zahvaljujem in Vam in Vaši družini želim obilo božjega blagoslova ter Vas pristrčno pozdravljam

Dear Margaret:

Of course, after your explanation in your letter, I remember you and your children very well. I have not forgotten that wonderful trip we took to Skofja Loka, and I am hopeful to return there in the not too distant future. Since I last saw you in Yugoslavia, I have been elected to the United States Senate, and so now I have even a higher position than I did at that time.

This is a very brief letter just to acknowledge that I have received your letter and your request for assistance on the Hewlett-Packard machine, and to let you know that I am busy working on it right now. I should be in contact with you in just a few days after you receive this letter to give you the information that you seek. Also, I will investigate if there are other ways in which I can be helpful in trying to reduce the cost of this machine and perhaps in expediting its delivery to Ljubljana.

I'm really happy that you got ahold of me, and I hope that I can be of some assistance. I am not certain where you are living in Australia, but I assume that it is in Sydney. I've never been there and, again, that's some place where in the next couple or three years I hope to go. When I do, perhaps we can see you in Australia. So you should be getting another letter from me in just a few days giving you some further information.

Sincerely,
