Dear Sir,
RE-"HELP" National Committee to Raise Funds for Medical
Equipment.

Regarding my conversation with your Secretary, on 30th. April 87. at 7 a.m.
about the EHO- CARDIOGRAPH FOR UNIVERSITY PAEDIATRIC CLINIC IN LJUBLJANA.

Just in case you don't recall, I believe that my Secretary Mrs. Margaret
Homan- Kancilija wrote to you in regard to this matter.

My name is Eleonor White born Cigoj, resident in Australia, which is also
the address of the above charity that I am the president of, and on behalf
of which, I am sending you, according to your request, all the relevant
documents to assist you in obtaining for the above Committee the following
information.

- 1) What is the price of the Eho-Cardiograph if purchased directly from
the manufacturer in the USA.
- 2) What are the transportation cost from USA to Ljubljana-Slovenia.
 - a) by cargo ship
 - b) by cargo plane
- 3) What are the purchasing conditions.
- 4) What is the length of time from the date of purchase to the day of
delivery from USA to Ljubljana.
- 5) Would the "HELP" delegation, which is to present the EHO- CARDIOGRAPH
to the PAEDIATRIC CLINIC in Ljubljana, be supplied with receipts and
other relevant documents, prior to its departure for Slovenia, in order
to hand them over to the recipient at the actual presentation.

Owing to the low number of Sloven Imigrants in Australia and the enormous
geographical distance between them, the money collection is progressing
relatively slowly, therefore we wish to avoid the sale representatives and
Agency commissions.

Owing to your elevated position would you be so kind as to assist us in
securing the machine at the cost price,

Sincerely hoping that I may count on your assistance in the above matter,
kindly accept my regards and gratitude.

Thanking you most sincerely

Spoustovani gospod *Predsednik*
Klicem za Vašo pomoč. Prošila bi Vas če je mogoče,
da bi posredovali na Vašem Društvu, da se pridružite mojemu koncertu.

Australsko-Slovenski koncert bo 26 Septembra 1987 ob 7 uri zvečer v
pomoč našim otrokom v Ljubljanski bolnici.

Triglavski Odbor je bil tako dober da je poklonil dvorano brezplačno
za ta koncert.

Program bo vodil popularni pevec gospod Richard Scobles. Po programu se
večer nadaljuje s plesom. Za dobro musiko bo priskrbel sin od gospoda
Šerneka.

Na vsak način bom presrečna, da se vidimo na Triglavu, ker vem da Vaše
Društvo pri takih prilikah ne izostane. (V stiski je sloga)

Prošila bi da mi saj 1 mesec popreje sporočite koliko prostora naj
rezarviram.

Upam, da Vam bo uspelo stvar organizirat saj poznam Vašo sposobnost
in dobro voljo Vašega društva.

U pričakovanju na čim prejšen odgovor Vas, in vse Vaše iskreno pozdravljam

Rada bi pomagala bolnim otrokom

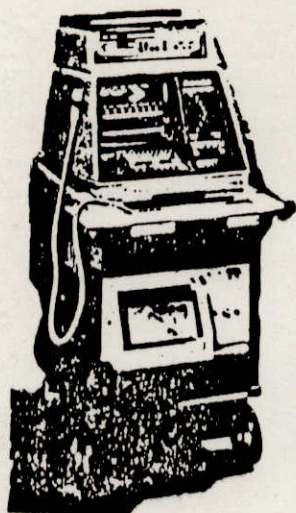

Eleonore White najbrž ne pozna prav veliko naših bralcev; izjema so morda njena sestra, ki živi v Ljubljani, sorodniki in mladostni prijatelji. saj gospa Whitova že dolgo živi v Avstraliji. Pred poroko je nosila lep slovenski priimek Cigoj. Stare domovine pa ni pozabila in občasno prihaja domov na obisk. Zadnjič je bila v Ljubljani leta 1984. In takrat se je začela ta zgodba.

Zdravstvena delavka po poklicu je hotela vsaj okvirno spoznati naše zdravstvo. Na obisku na otroški kliniki je poleg drugih strokovnjakov spoznala tudi prof. dr. Jožeta Jerasa. Ljubeznivo ji je razkazal kliniko in ji opisal način dela. »Takrat sem ugotovila,« piše Eleonora White, »da imate v Ljubljani čudovite zdravnike, ki bolnikom, zlasti pa še otrokom dajejo vse, kar zmorejo. Pač pa sem med sodobnimi kliničnimi aparati pogrešala aparaturo za diagnostiko.«

Ko se je vrnila v Avstralijo, je začela najprej med svojimi znanci zbirati sredstva, da bi ljubljanski otroški kliniki oskrbela ta aparat. Mimogrede: zelo je drag, saj stane nad 200 tisoč dolarjev. »Od takrat obiskujem naše rojake po Avstraliji. Tudi vlada mi je s posebnim odlokom dovolila nabiranje. Spodbujata me tudi dva vaša patra Valerijan in Ciril. Pravita, da za takšno dobro delo ni škoda truda.«

Do celotne cene za aparat so se precej daleč, neumorna rojakinja pa je trdno prepričana, da bo zmogla to delo in tako pomagala otrokom našega rodu v moji lepi domovini.

Vsekakor gre za pobudo, ki je vredna vse pohvale.

Spoštovana gospa White,

prejel sem Vaše pismo, ki ste mi ga pisali 16. 12. 1986 in v katerem poročate, da zbirate med avstralskimi Slovenci denar za nabavo aparata za otroško bolnico v Ljubljani. Dokumentacijo sem izročil uredniku Družine dr. Klemenčiču, da on odloči, kako in kaj more poročati v Družini, ker je to stvar uredništva. Priloženih 10 dolarjev sem izročil upravi Družine, da Vam pošljejo nekaj številčk Družine, kajti naročnina za celo leto ne zadošča. Če bi želeli še naprej naročiti Družino, boste videli v časopisu, koliko je naročnina in to lahko potem uredite.

Za Vašo akcijo, da pomagata otroški bolnici v Ljubljani, se Vam tudi sam iskreno zahvaljujem in Vam in Vaši družini želim obilo božjega blagoslova ter Vas pristrčno pozdravljam

Dear Margaret:

Of course, after your explanation in your letter, I remember you and your children very well. I have not forgotten that wonderful trip we took to Skofja Loka, and I am hopeful to return there in the not too distant future. Since I last saw you in Yugoslavia, I have been elected to the United States Senate, and so now I have even a higher position than I did at that time.

This is a very brief letter just to acknowledge that I have received your letter and your request for assistance on the Hewlett-Packard machine, and to let you know that I am busy working on it right now. I should be in contact with you in just a few days after you receive this letter to give you the information that you seek. Also, I will investigate if there are other ways in which I can be helpful in trying to reduce the cost of this machine and perhaps in expediting its delivery to Ljubljana.

I'm really happy that you got ahold of me, and I hope that I can be of some assistance. I am not certain where you are living in Australia, but I assume that it is in Sydney. I've never been there and, again, that's some place where in the next couple or three years I hope to go. When I do, perhaps we can see you in Australia. So you should be getting another letter from me in just a few days giving you some further information.

Sincerely,

Tom Harkin

Mr. David Kelly,

GREENWICH. 2065.

Dear Mr. Kelly,

I am writing to ask for Lotto's support in the form of sponsorship for a large fund raising venture which I have undertaken on behalf of the Australian-Slovenian community.

As you can seen from the above letterhead the project involves the raising of funds to purchase an ehocardiograph machine to be used in the Paediatric Clinic in the University Hospital in Ljubljana, Yugoslavia.

The cost of the machine is high - \$200,000A - and already our committee has raised over \$10,000. We are working very hard but it is a slow process and that is why we are seeking the support of a large organisation such as yours.

I am enclosing all the necessary documentation which explains more fully why we have committed ourselves to such an important project. The documentation also shows that we have registered ourselves as a non-profit organisation.

Our Committee would greatly appreciated if Lotto would give sympathetic consideration to our request for sponsorship as it would represent a precious gift from the Australian community to the people of Ljubljana.

Yours sincerely,

Dear Mr. Whitlam,

I am writing again concerning the Australian-Slovenian Concert being held on 26 September, 1987, to raise funds to purchase a ehocardigraph for the University Paediatric Clinic in Ljubljana.

Your secretary recently telephoned me and explained that you would be unable to attend the concert because of an overseas commitment you had at that time. You can imagine how disappointed I am that you are unable to be with us that day - not to mention the Sloven people!

As I have explained before the machine will cost a lot of money - \$200,000 - and wondered as you unable to be with us if you would consider giving a donation towards our fund raising efforts.

Again I am sorry you can't be with us and I am looking forward to hearing from you.

Kind regards,

Mr. David Kelly,

Dear Mr. Kelly,

I am writing to ask for Lotto's support in the form of sponsorship for a large fund raising venture which I have undertaken on behalf of the Australian-Slovenian community.

As you can see from the above letterhead the project involves the raising of funds to purchase an echocardiograph machine to be used in the Paediatric Clinic in the University Hospital in Ljubljana, Yugoslavia.

The cost of the machine is high - \$200,000A - and already our committee has raised over \$10,000. We are working very hard but it is a slow process and that is why we are seeking the support of a large organisation such as yours.

I am enclosing all the necessary documentation which explains more fully why we have committed ourselves to such an important project. The documentation also shows that we have registered ourselves as a non-profit organisation.

Our Committee would greatly appreciate if Lotto would give sympathetic consideration to our request for sponsorship as it would represent a precious gift from the Australian community to the people of Ljubljana.

Yours sincerely,

E. White

Dear Mr. Whitlam,

I am writing again concerning the Australian-Slovenian Concert being held on 26 September, 1987, to raise funds to purchase a echocardiograph for the University Paediatric Clinic in Ljubljana.

Your secretary recently telephoned me and explained that you would be unable to attend the concert because of an overseas commitment you had at that time. You can imagine how disappointed I am that you are unable to be with us that day - not to mention the Sloven people!

As I have explained before the machine will cost a lot of money - \$200,000 - and wondered as you unable to be with us if you would consider giving a donation towards our fund raising efforts.

Again I am sorry you can't be with us and I am looking forward to hearing from you.

E H O K A R D I O G R A F .

Bili smo v 1985. letu, ko smo v Avstraliji začeli zbirati denar za diagnostični elektronski aparat ehokardiograf, ki bi ga naj podarili otroški kliniki ljubljanske bolnice. V ta namen smo istega leta organizirali ples, ki je za bolnico prinesel \$ 458. Osebnostno so posamezniki darovali od 1985. leta pa do danes še \$ 1187.

Zadnje čase smo z našo nabirko praktično spali, razen družine Romana Bizjaka, ki je za ehokardiograf darovala \$ 50, družine Johna Adamsa, ki je darovala \$ 5, Glena Currana, ki je daroval \$ 5, Jožeta Kapušina, ki je daroval \$ 4, družine Johnnija Pence, ki je darovala \$ 10, družine Ivana Savleta, ki je darovala \$ 20 in družina Janeza Černeta, ki je darovala za ehokardiograf \$ 20.

Eden glavnih razlogov, zakaj z nabirko nismo bili bolj aktivni je ta, da se nam je zdel cilj \$200.000 previsok, predaleč in praktično nedosegljiv. Vendar se je pa ta akcija nabirke za ehokardiograf kot izgleda raztegnila tudi v nekatere druge države, kjer živijo Slovenci v večjem številu. Sliši se tudi, da je nabirko začela še sama ljubljanska bolnica med svojimi domačimi Slovenci in da bo razliko morda pokrila tudi Slovenija sama, če ji bomo mi dali dovolj korajže s svojimi prispevki. Ni nam zato treba obupati, če je številka pred nami tako velika in imamo še daleč do cilja. Pokažimo se najše velikodušne in korajžne še naprej in prispevajmo vsak po svoji moči.

Nekateri od nas pripominjajo, da naj Jugoslavija da manj za armijo in več za medicino, tako da ne bo treba prosit okrog. Pa to, isto stvar bi mogli očitati skoraj vsem vladam sveta. Že naprej vemo, kako malo bomo s tem dosegli. Če je v naši moči, da delamo za mir in pravico na svetu, kot tudi praktično pomagamo onim, ki jih je to življenje stisnilo, bodisi z lakoto ali boleznijo; če je v naši moči, da delamo za brate in sestre, ki so naše pomoči potrebni, potem ne bomo zatajili, če bomo potrebnim zares pomagali in nam bo nekoč povrnjeno za ta praktičen izraz naše dobre volje tisoč krat.

27. junija bomo imeli v našem klubu spet ples, katerega ves dobiček bomo darovali za ehokardiograf. Do tega plesa je še dober mesec dni, vendar bi vas pa že sedaj radi pripravili nanj. Ignal nam bo poskočen Rafkov trio, pa lepe nagrade za tombolo bomo tudi pripravili.

Vsi torej prisrčno vabljeni že sedaj na Eho-ples, ki bo čez mesec dni, to je v soboto, 27. junija ob osmih zvečer. Poleg tega, da se bomo naplesali in razvedrili, bomo tudi pomagali tistim, ki so potrebni naše pomoči.

To sem pridal glede plesa in ehokardiografa
ne radi razpihi odseji.

Canberra, 31.5.1987.

V A B I L O !

Slovensko-Avstralsko društvo v Canberru bo priredilo v soboto, 27. junija ob osmih zvečer v svojem klubu na Phillipu dolgo prikakovani "EHO PLES". Igral nam bo poskocni RAFKOV TRIO. Ves dobiček od tega plesa bomo podarili za EHOKARDIOGRAF Otriske klinike ljubljanske bolnice.

Prisrcno vabimo na ta ples tudi vas, prijatelji iz drugih slovenskih klubov in verskih centrov. Poleg tega, da nam boste pomagali pomagati onim, ki so potrebni nase pomoci vam jamcimo, da se boste pri nas prijetno zabavali, dobro naplesali in iskreno razvedrili.

Na svidenje torej na "EHO PLESU", ki bo v Canberru v soboto, 27. junija ob osmih zvečer!

ODBOR SLOVENSKO AVSTRALSKEGA DRUSTVA, CANBERRA

Draga gospa White,

Koncno Vam posiljam obljubljeni pismo. Upam, da Vam bodo kopije dokumentov, ki Vam jih posiljam v tem pismu, pokazale točno stanje nase nabirke, kar se Canberne tice. Če primerjam novi spisec s prejšnjim, so novi darovalci bili:

Roman Bizjak & družina	\$ 50	S A D Canberra	\$100
John Adams & družina	\$ 5	Marko Cerne	\$ 3
Glen Curran	\$ 5		
Joze Kapusin	\$ 4		
Janez Cerne & družina	\$ 20		
T. Sullivan	\$ 8		
John Murtu & družina	\$ 16		

Denar \$ 1867.64 sem naložil se za eno leto na 15.5% na CBS. \$100 od kluba za slike bom pa naložil na redno hranilno knjizico nase akcije ta teden, ko bom denar dvignil od nasega blagajnika.

Ce ne prej, se vidimo pri nas 27. junija. Prisrcen pozdrav Vam in mozu,

Spoštovana in cenjena gospa White-ova !

Najlepše se Vam zahvaljujem za Vaše pismo z dne 30.5.1988, v katerem mi sporočate, da ste denar, ki ste ga zbrali Vi in naši slovenski rojaki v Avstraliji, nakazali firmi Hewlett Packard na Dunaju. Kot veste, bomo lahko s pomočjo tega Vašega dragocenega darila kupili dodatne dele k ehokardio-grafskemu aparatu. Tako bo mogoče ta aparat uporabljati tudi za razpoznavanje nekaterih bolezni možgan pri novorojenčkih in dojenčkih in izpopolniti tudi diagnostiko srčnih obolenj. Težko je razložiti, kakšno olajšanje za bolne otroke in končno tudi za naše zdravnike je bila pridobitev tega dragocenega aparata in dodatnih delov zanj. Pri mnogih bolnih otrocih zaradi tega ni več potrebno napraviti nevarnejših in neprijetnih preiskav.

Včasih je ljudem skoraj nemogoče razložiti, kako težko je z nabavo medicinske opreme pri nas. Zelo smo veseli, da ste Vi in odbor slovenskih rojakov razumeli naše težave in nam priskočili na pomoč.

Vam osebno in vsem slovenskim rojakom, ki so sodelovali pri zbiranju denarja se od srca zahvaljujemo. Prosimo Vas, da v imenu otroških zdravnikov in bolnih otrok Univerzitetne pediatrične klinike v Ljubljani sporočite vsem darovalcem, kako visoko cenimo njihovo darilo.
