## REGISTERED AND EXEMPTED CHARITIES

An appeal for the support of a charity or a charitable purpose may only be made legally under certain conditions. The most important of these conditions is that the charity concerned shall be registered, or exempted from registration under the provisions of the Charitable Collections Act, 1934, as amended.

A registered or exempted charity, then, enjoys the right of being able to appeal directly to the public for funds. Appeals of this nature may take many and varied forms, such as, house to house appeals, street collections, authorized games of chance, (housie, chocolate wheels, etc.), socials, dances, and so on.

Whilst it is necessary to refer to the Charitable Collections Act and Regulations thereunder, or to inquire of the Charities Administration Branch of the Department for complete particulars concerning registration, the following represents a brief outline of the main differences between "registered" and "exempted" charities:—

### Registered Charities

Any organization or association established for or which has as one of its objects a charitable purpose must apply for registration under the Act before it can seek funds from the public.

Charities granted registration under the provisions of the Act must comply with all of the requirements of the Act and the Regulations thereunder, including matters such as—

1. The charity shall be administered by a responsible committee of not less than three persons.
2. Full and accurate minutes of all meetings of the committee shall be kept.
3. Proper books of account and records shall be maintained, and all expenditure shall be properly authorized.
4. The accounts shall be audited at least once each year by a qualified auditor or some other competent person approved by the Department.
5. Charities with an annual gross income or annual expenditure exceeding \$800.00 or which have assets other than real estate exceeding \$800.00 shall lodge with the Department prescribed financial statements within eight weeks of the close of the charity's financial year.

### Exempted Charities

Certain organizations or associations may apply for and be granted exemption from registration under the provisions of the Act.

Organizations such as religious bodies, Parents and Citizens and Parents and Friends' Associations, Hall Committees, Hospital and Ambulance Auxiliaries, Surf Clubs, Pre-School Kindergartens, etc., are granted exemption from registration. The Department does not exercise as close a supervision over exempted charities as it does over registered charities. Nevertheless, exempted charities are required to observe the basic requirements of the law in relation to administration, keeping of proper books of account and associated records, and in the conduct of appeals for support.

Exempted charities are not required to lodge annual financial statements with the Department unless specifically requested to do so.

Applications for Registration/Exemption

Applications for registration or exemption under the provisions of the Charitable Collections Act must be submitted on the enclosed form, to the address below. The application must be complete in all respects and be accompanied by an up-to-date copy of the charity's constitution, certified by the President or Secretary, after adoption at a properly convened meeting.

A set of "Suggested Rules" is enclosed for guidance in the framing of a constitution, and all items contained therein, with the exception of Nos 12, 18 and 19, must be incorporated in any constitution lodged. Items Nos 12 and 18 whilst considered desirable, are optional, and Item No. 19 would only apply in certain cases, where the charity is possessed of real property for example.

Dear Sir,

The copy of the rules of the organisation known as the Council of the National Communities from Yugoslavia has been examined as requested, but to meet the requirements of a registered charity, it would be necessary to include amendments along the lines of the Department's rules 4, 6, 8, 9, 10, 11, 13, 14, 15, 16, 17, 20 and 21. Under Secretary,

647 George Street,  
Sydney. N.S.W. 2000.

Dear Sir,

In reply to your communication of 13th October, 1976,  
Ref. No. CC 22812, I wish to express on behalf of the Council of National  
Communities from Yugoslavia our regrets that we have not complied with the  
requirements of the Act.

The registration of the Council of National Communities from  
Yugoslavia under the Act (Charitable collection) was necessary for us in  
order to qualify under the Australian Government Assistance Plan, to appoint  
a Welfare Rights Officer, and this is the reason why matter had to be done  
very quickly. We appointed two Welfare Rights Officers but unfortunately  
neither held the position for any length of time. The allocation of the  
fund by the Australian Government (now Commonwealth Government) was only  
for twelve months experimental period. At present time no one is employed  
in this capacity.

The only financial activities our organization was involved with  
was in connection with the Welfare Rights Officers and their activities.

I am submitting hereby a brief financial statement, pending the  
submission of a complete and audited account which will be available in  
the first week of December 1976.

At our meeting held early in September 1976, the following members  
we elected as office bearers for the year 1976-1977:-

Chairman, Ivan Pavro (Chairman Yugoslav Australian Friendship  
Secretary, Stane Potkovsek, Society, Chatswood.)  
(Secretary Triglav Club Limited)

Treasurer, George Businovski (Committeemen of the Club "Ilinden")

Vice Chairman - Mile Lusic (Committeemen Yugoslav Australian  
Social Club, Warriewood)

The other office bearers will be elected at the above mentioned meeting -  
one (an another vice chairman) vice chairman. In conformity with our  
Constitution it was resolved that we call for new positions - one assistant  
secretary, one assistant treasurer and Public Relation Officer.

I hope that this will receive your approval,

Thanking you,

Yours faithfully,

M.M. Alagich,

The Hon. Secretary,

SYDNEY. 2000

Dear Sir,

I desire to invite your attention to Regulation 8(g) under the Charitable Collections Act, 1934, which provides that a certified copy of the income and expenditure account and balance sheet, together with a copy of the annual report of a charity, shall be furnished to the Minister within eight weeks of the conclusion of each financial year. A Bank Certificate should be supplied in respect of each bank account of the organization showing the bank balance on the date of conclusion of the financial year.

The registration under the Act which is granted to Rotary, Lions, Apex, and other Service Clubs covers the whole of the activities of the Club and not the Activities or Project or Special Account only. Clubs must therefore submit an audited financial statement covering each Account for the year.

In the circumstances, it is requested that the attached documents be completed in respect of your organization and returned to this Office as soon as possible. (The Department will accept financial statements which are not on the enclosed form provided they are properly drawn up and correctly certified by the organization's Auditors.)

Yours faithfully,

A COM TO M. ALAGICH  
The 2EA Radio Committee of the Council of National Communities from  
Yugoslavia (C.N.C.Y.)

MINUTES of the meeting held in the Yugal-Prague Club, Hillsdale, on Sat.  
30th Aug., 1975, from 5.45 p.m. till 8.10 p.m.

Chairman : M. Alagich

Recorder : M. Riznic

Present, Messrs : J. Pazin, V. Lusic, M. Alagich, M. Serdarevic, K. Gavrilovic,  
G. Buzinoski, B. Lusinoski, P. Kikirekov, M. Riznic, V. Tulevski,  
M. Kovacevic, M. Dinic,  
Mesdames: L. Dezelin, M. Kosovic, B. Pazin, V. Lusic, I. Serdarevic, N. Dinic,  
S. Riznic, D. Cievacic.

Correspondence: a letter from the Slovene language group. Apology: I. Kosovic.

M. Alagich : (1) said that this meeting was requested by a number of people who played an important role in the preparation of the 2EA Yugoslav programmes so far. They wished to discuss certain problems in an informal way and to submit some suggestions to the executive of the CNCY.

(2) read the minutes of the meeting held with Mr. B. White, Dept of Media, on Mon. 25th Aug., 1975,

(3) read the lists of people who will be responsible for and take direct part in the production of the 2EA radio programmes for the four language groups of national-ethnic communities from Yugoslavia :

- (a) Slovene language group : Jozse Cujes ( 8 names ),
- (b) Macedonian language group: Dr. V. Tulevski ( 23 names ),
- (c) Serbian language group : K. Gavrilovic ( 3 names ),
- (d) Croatian language group : I. Kosovic ( 7 names ).

K. Tulevski reviewed the existing structure of the 2EA radio committee for the four language groups from Yugoslavia. Each language group should have an editor and at least two programme teams. The editors and leaders of programme teams form the 2EA Yugoslav radio committee. They are responsible to the CNCY for the content and quality of their language groups. The editors are honorary officers and should not take an active part in the actual production of 2EA programmes. The leaders of programme teams and those taking a direct part in the actual production of programmes should receive the financial remuneration/reward as given by the Department of Media. There should be at least two or three programme teams for every language group so that a widest possible representation of all diverse interests of all ethnic groupings from Yugoslavia could be made.

M. Kovacevic read a 4-page typewritten personal submission concerning :

- (a) separate language programmes for the Slovene and Macedonian groups,
- (b) a composite Serbo-Croatian language programme,
- (c) all programmes to be submitted in writing in advance,
- (d) the co-ordinator(s) of Yugoslav programmes on the Sydney 2EA committee and on the National Ethnic Radio Committee to be elected by the CNCY.

Concerning Mr. Kovacevic's submission under (b) above a vote was taken, after a lengthy discussion. The result: 14 voted in favour of a combined Serbo-Croatian 2EA radio programme, 4 voted against it, 2 did not vote.

Concerning Mr. Kovacevic's submission under (d) above Mr. Alagich said the position of the co-ordinator of Yugoslav programmes on the 2EA Ethnic Radio Committee was given first to Mr. I. Kosovic and then to himself (Mr. Alagich) as a matter of personal trust. It was not given to them as representatives of the CNCY or any other body. The CNCY therefore has no authority to change this arrangement with the Department of Media and other departments concerned with these appointments. M. Kovacevic insisted that this was incorrect and that the co-ordinators should be elected by the CNCY. This matter remained unresolved. Support was given to Mr. Alagich to carry on with his representation as decided at the meeting on Mon., 25th Aug., 1975.

K. Gavrilovic submitted that the Slovene language group should be given a much smaller time on 2EA to reflect the true position of their numbers.

A meeting of the CNCY will be held on Sat., 13th Sept., 1975, starting at 3.00 p.m. at the Yugal-Prague Club or at some other venue to be announced.

The meeting of the 2EA Radio Committee of the CNCY was closed at 8.10 p.m.

Dear Sir,

I am sorry that I have to advise you of my resignation from the position of Welfare Rights Worker for Yugoslav Communities due to health reasons.

Please find enclosed files and other materials that I have collected during the period that I have been engaged in the programme. Also enclosed is a cheque from Dept. of Social Securities, with which I was to open a cheque account, but was unable as chairman's signature was required, and the bank wants to identify persons signing the application form, that means they want to see them in person. They have given me new application forms in case you wish to appoint a new chairman, if the existing one is non-active. If you require more informations regarding this, you may call Mr. Hall of Commonwealth Bank, George and Market Sts. Branch on 2 0256, Ext. 454 and discuss it with him.

I apologise for the inconvenience that I have caused due to my resignation, and wish you better progress in the future.

Yours Sincerely,

R. Pazin.

Dear Mr. Petkovsek,

Further to our phone conversation of yesterday (16th September 1975) I wish to reiterate that the objects and aims of our Council have not changed in any way. It is still a coordinating body of our fraternal Clubs and Associations working for the common good of our peoples. Our Council will be a forum of delegates and representatives of affiliated Clubs and Associations as stated in our PROGRAM I PRAVILA under the sub-heading SASTAV clause 4.

The Department of Services (formerly Chief Sec. Dept) will register our Organization (Council) as a charitable body with the deletion of the Clause 3 in their Suggested Rules, form C33.

We sincerely hope that you will review your earlier decision and continue with the membership of our Council.

Yours faithfully,

Dear Mr. Oblescak,

Further to our phone conversation of last night (16th Sept.)  
I am enclosing PROGRAM I PRAVILA of our Council for your and your Club's  
perusal.

This Council is a co-ordinating body of our fraternal Clubs  
and Associations working for the common good of our peoples.

As the Program i Pravila indicates this body will not be  
composed of general members but made up of delegates and representatives  
of affiliated Clubs and Associations.

We sincerely hope that your organizations will participate  
in the activities of this Council.

Yours faithfully,

Hon. Secretary.

Enclosing: Program i Pravila  
Two printed sheets.

20th December 1975.

Dear Mrs. Pazin,

Your letter of 17th Oct. reached me only two weeks ago and unfortunately we can not act upon it since the money allocated for the purpose of employing W.R.O. can not be used until our organisation is ~~not~~ registered with the Services Department.

This unfortunate delay in obtaining registration of our organization has been caused as a number of changes had to be made in our Constitution to comply with the requirements of the Charitable Organization Laws and the passing of our late chairman John Kosevich complicated matters to a very great extent.

Immediately organization is registered with the State Government, committee will act upon your letter.

Regret this unavoidable delay.

Best wishes for the festive season.

Yours faithfully,

M.M. Alagich.

VIJECE NACIONALNIH ZAJEDNICA IZ JUGOSLAVIJE.

Svim organizacijama-clanovima naseg Vijeca.

Dragi prijatelji,

Poslije mnogobrojnih pisama, sastanaka i apela nemislim da je potrebno da dalje isticem vaznost jedne organizacije kao naseg Vijeca. Posto smo poslije dugo trajnih napora konacno uspjeli da dobijemo registraciju (Broj CC 22812 na 23/1/1976) i tim dobili sluzbeno priznanje naseg postojanja. Smatram da bi bilo neoprostivo ako sada nebih dali punu podrsku ovom Vijecu. Zelim da ponovim iz cirkulara kojeg sam uputio svim organizacijama na 17tog Maja 1976 godine Cirkular MMA/18.

"..... izgleda da neki pojedinci kao i izvjesne organizacije nisu prihvatili ni pravilno shvatili ulogu naseg Vijeca. Izgleda da se je uloga organizacije Vijeca u mnogim ocima krivo predstavljena shvacajuci funkcije Vijeca kao forum koji namece svoje ideje i politicke nazore - naprotiv stvarnost je potpuno drugacija. Uloga Vijeca je da koordinira aktivnosti svih organizacija zainteresiranih za rad na pomaganju i u uskladjivanju aktivnosti za dobrobit nasim ljudima u Sydney-u. Ni jedno Vijece ma koliko aktivno i dobronamjerno nema mogucnosti opstanka i uspjesnog djelovanja ukoliko nema potporu organizacija koje su u direktnom kontaktu sa nasim ljudima.

NAS STATUT GARANTIRA SAMOSTALNOST ORGANIZACIJAMA -CLANOVIMA NASEG VIJECA.

Jos jednom bi zelio skrenuti vasu paznju da ce se uskoro odrzati kongres Etnickog Vijeca N.S.W. (Ethnic Council of N.S.W.) i organizacije koje su zainteresirane da prisustvuju ovom skupu treba da ispune pristupnice da bi mogli prisustovati. Pristupnice treba da bude popracene sa uplatnicom u visini of \$10.

Smatram, i to je misljenje usvojeno na nasim ranijim sastancima, da je vrlo vazno da nase organizacije sudjeluju u ovom Vijecu i imaju svoje prestavnike a osobito na ovom skupu - zato Vas molim da bez odlaganja ispunite i posaljete na (moju) adresu, 8 Oyama Avenue, Manly. 2095. prilozenu pristupnicu i novac. Ako saljete cek ili money order, uputite ga ETHNIC COUNCIL OF NSW.

Etnicko Vijece ce da bude jaki socio-politicki forum i ideologija ovog Vijeca ovisi o ljudima koji se nalaze u Vijecu. Ja mislim da treba da ga vode ljudi koji se bore za ravnopravnost svih gradjana ove zemlje, koji se bore za mir i bratstvo, koje je od osobite vaznosti za nase ljude.

Ministarstvo Post and Telecommunication (P.T.T.) donio je radikalne izmjene u vodjenje naseg programa i organizacije koje zeleva da oglase svoje socijalne, sportko kulturne djelatnosti treba da podnesu pismenu molbu 14 dana unapred, meni ili manidjeru stanice, Mrs. J. Looman,

153 Walker Street, North Sydney 2060. ili  
P.O. Box 471, North Sydney. 2060

Odbor koji je odabran da razmotri buduće aktivnosti radia 2EA podnio je izvjestaj Ministrima, Post and Telecommunication i Immigration and Ethnic Affairs i mi ocekujemo odluku vlade koncem ovog mjeseca.

Pozeljno bi bilo da sve zainteresirane organizacije biraju svog prestavnika ili osoba koja bi bila veza vase organizacije i Vijeca.

Sastanak treba da se odrzi prije konca mjeseca (Augusta) i zelio bi znati kada Vama naj bolje odgovara - u vecer preko sedmice ili u subotu poslije podne. Do nekoliko dana povezat cu se telefonski sa vama da cujem vase misljenje u nadi da ce mo naci naj pogodnije vrijeme za svi nas. Moje licno misljenje je da bi se sastali u subotu poslije podne, na 26 Avgusta ove godine u Yugaluu.

Poslije ovog sastanka pozeljno bi bilo da se nasi sastanci rade

Sastanak bi trebao da se zabavi oko slijedecih pitanja:

- a) potvrditi clanstvo i statut b) finansijski izvjestaj c) nominacija ili biranje U.O. d) pripremiti izvjestaj za vladu NSW i Saveza
- e) Rapraviti kongres, Ethnic Council of NSW f) skole itd.

Ako se slazete da odrzimo sastanak u Subotu, 28vog o.m. molim Vas nazov me cim prije. 977 1856.

COUNCIL OF NATIONAL COMMUNITIES FROM YUGOSLAVIA.

Apologies: Chatswood and Warriewood.

Alagich thanked all delegates present for their attendance at such a short notice and outlined the reason for this meeting. Memo MMA/18.

Congratulations to Newtown Centre on their work

Nomination of office bearers

Letter from the owners of premises in George Street

W.R.O.

Short report on 2EA

A short report was submitted.

We have not produced the "goods" we should have. The main reason for this has been that a number of people would not comply with the spirit of our Constitution. Too much emphasis was placed upon individuals rather than on the organizations, the core of our Council.

Kovacevich said that it was tragedy that we have not succeeded in carrying out our part in the experiment of WRO. The main reason he sees is that some people were more interested to project their own personality rather than to concentrate and work to promote this organization and do what is best for our community.

Stane Potkovsek said that it was the deviation from the original concept, that the organizations constitute the membership of the Council and not an assembly of individuals. This was the main reason why their organization withdrew from the Council. Situation has changed and this augers well for the future.

RESOLVED: That we adopt the report and all efforts be made to have the organization much more effective. Further that no new organizations be invited other than Istra Club for time being. Future acceptance be received in accordance to the Constitution of the Council.

MATERIRINSKI JEZIK (languages from Yugoslavia.)

All efforts should be made now to start these languages in as many areas as it is possible by our organizations, but under the auspices of the Council. By adopting this policy the impact will be much greater and will be more readily supported by various instrumentalities. This matter was made quite clear to us.

EARTHQUAKE CAMPAIGN: Initiated by the Slovenian Organizations and its community.

RESOLVED that we all should support this appeal as a sign of solidarity of all our communities from Yugoslavia.

COUNCIL of N.S.W. (Ethnic) our organizations as a whole are not active enough in this important organization and it is time that we have a serious look and assess the position.

RESOLVED that all our member organizations should be involved and apply for the membership. Alagich will contact all clubs and supply with membership forms if required.

ATTENDANCE BY PROXY: there is no provision which would authorize representation of an individual (non member of a particular club/organization) to attend meeting of the Council by proxy.

PREMISES IN GEORGE STREET. Letter received from the land lord seeking back rent and for partitioning of the office space. Stane Potkovsek said that there has been lot of talk but no firm commitments were ever made. He did go along with Mrs. Pazin and had a look, and that was all.

RESOLVED that Alagich approach his solicitor and to submit all material available.

PAVAL SALECIC (Cabranatta) Very happy to have attended this meeting. We all have problems but feel confident that we can surmount all our problems if we work together. Council must be retained and strengthened.

Svim organizacijama-clanovima naseg vijeca.

Nas odbor je u egzistenciji za prosljednih 12 mjeseci i nazalost izgleda da mnogi pojedinci kao i izvjesne organizacije nisu prihvatili ni pravilno shvatili ulogu naseg Vijeca. Izgleda da se je uloga Vijeca u mnogim ocina krivo predstavljena shvacajuci funkciju Vijeca kao forum koji namece svoje ideje i politicke nazore - naprotiv stvarnost je potpuno drugacija. Uloga Vijeca je da koordinira aktivnosti svih organizacija zainteresiranih za rad na pomaganju i u uskladjivanju sktivnosti za dobrobit nasim ljudima u Australiji. Ni jedno Vijece ma koliko aktivno i dobronamjerno nema mogucnosti opstanka i uspjesnog djelovanja ukoliko nema potporu organizacija koje su u direktnom kontaktu sa nasim ljudima.

NAS STATUT GARANTIRA SAMOSTALNOST ORGANIZACIJAMA - CLANOVIMA NASEG VIJECA.

Dugogodisnja zelja nasih organizacija je bila da se omoguci djeci nasih ljudi da uce nase jezike to je ustvari jedan od zadataka koje je nase Vijece postavilo u program aktivnosti. U vezi toga nase Vijece je podnijelo prijedlog ministarstvu za prosvijetu i naislo na razumljevanja. U vezi toga prodlaže se da se za pocetak otvore skole u slijedecim predjelima Sydneja -

CHATSWOOD - WILLOUGHBY	(Novi minster Hon.E.Bedford
CABRAMATTA - FAIRFIELD	potvrdio je obavezu ranijeg
BOTANY - HILLSDALE	ministra)

Koristimo ovu priliku da cesticamo nasem centru u Newtown-u koji je vec pokazao interes i aktivno t propagirao stvaranje ove ideje. Zelimo da napomenemo da mi nismo aktivno radili na ovom polju posto smo smatrali da je vazno da se aktivnosti Newtownom centra odvijaju bez njesanja sa druge strane.

Napominjemo da smo nasim dopisom - cirkularno pismo Aprila 1976 i zapisnik sastanka, 4/2/1976, u kojima smo ponovno zamolili da klubovi nominiraju svoje prestavnike u upravi naseg Vijeca.

Potrebno je nominirati slijedece clanove Uprave:  
Pretsjednik  
Dva Pod Pretsjednika  
Tajnika  
Pom. Tajnika  
Blagajnika

Dobili smo pismo i racun kuce vlasnika u pogledu prostorija u George Street, Haymarket. Ova situacija do sada nije rijesena ali zbog ozbiljnosti slucaja i kilicina novca rijesenje treba da se donese u sto kracem vremenu.

Pitanje place Mrs. Rosita Pazin, koja je radila 6 sednica mora se rijesiti cim prije. Mrs. Pazin je bila nasa prva Welfare Rights Officer.

Kako sam vas ranije upoznao, Dobromir Kicuroski, W.R.O. dao je ostavku poslije 3 sedmice. Ovo je za nas veliki gubitak posto nije bilo moguće da se trazi zanjena posto ovi ekperimentalni period završava koncem Juna ove godine. Moje lieno misljenje je da u nasoj organizaciji postajali su neki "nesporazumi" i to je utjecalo na cijelu stvar.

RADIO 2EA JUGOSLAVENSKI ETNICKI PROGRAMI.

Poslije vise mjeseci nejasnih stavova sta ce biti sa etnickim radio Savezna Vlada dala je jasno do znanja cijelo kupnoj javnosti da nema nikakvih promjena principa na kojem je ovaj radio osnovan i dati okviri njegovog rada. Zatim Savezna vlada formirala je Consultative Committee on Ethnic Broadcasting oiji je zadatak da ispita javno misljenje etnickih grupa o tome kako bi treba da izgleda organizacija funkcionisanje i sadrzina radio satovi 2EA poslije 30 Septembra 1976.

"Grupe ce u svojim programima sprovoditi cistocu principa koji su dati emisijama etnickih grupa od strane vlade i svaka narusavanja usvojenim principa biti ce najostrije kritikovano a odgovorno t lice snosit ce moralnu i drugu odgovornost/izmjenit ga/.

PUNA SJEDNICA VIJECA TREBA DA SE ODRZI PRIJE KONCA MAJA DA RAZMATRI SVA OVA PITANJA. OVOM SASTANKU TREBA DA PRISUSTVUJE NAJ MANJE 6 ORGANIZACIJA DA BI SE MOGLA DONIJETI PRAVO SLUZNA ODLUKA. Molimo Vas da nas izvijestite o najpogodnijem vremenu za odrzavanje sastanka - a) subota p.p. b) Nedjelja ujutro c) u vecer preko sednice?

VIJECE NACIONALNIH ZAJEDNICA IZ JUGOSLAVIJE.

Svim organizacijama-clanovima naseg Vijeca.

Dragi prijatelji,

Poslije mnogobrojni pisama, sastanaka i apela nemislim da je potrebno da dalje isticem vaznost jedne organizacije kao naseg Vijeca. Posto smo poslije dugo trajnih napora konacno uspjeli da dobijemo registraciju (Broj CC 22812 na 23/1/1976) i tim dobili sluzbeno priznanje naseg postojanja. Smatram da bi bilo neoprostivo ako sada nebih dali punu podrsku ovom Vijecu. Zelim da ponovim iz cirkulara kojeg sam uputio svim organizacijama na 17tog Maja 1976 godine Cirkular MMA/18.

"..... izgleda da neki pojedinci kao i izvjesne organizacije nisu prihvatili ni pravilno shvatili ulogu naseg Vijeca. Izgleda da se je uloga organizacije Vijeca u mnogim ocima krivo predstavljena shvacajuci funkcije Vijeca kao forum koji namece svoje ideje i politicke nazore - naprotiv stvarnost je potpuno drugacija. Uloga Vijeca je da koordinira aktivnosti svih organizacija zainteresiranih za rad na pomaganju i u uskladjivanju aktivnosti za dobrobit nasim ljudima u Sydney-u. Ni jedno Vijece ma koliko aktivno i dobronamjerno nema mogucnosti opstanka i uspjesnog djelovanja ukoliko nema potporu organizacija koje su u direktnom kontaktu sa nasim ljudima.

NAS STATUT GARANTIRA SAMOSTALNOST ORGANIZACIJAMA -CLANOVIMA NASEG VIJECA.

Jos jednom bi zelio skrenuti vasu paznju da ce se uskoro odrzati kongres Etnickog Vijeca N.S.W. (Ethnic Council of N.S.W.) i organizacije koje su zainteresirane da prisustvuju ovom skupu treba da ispune pristupnice da bi mogli prisustovati. Pristupnice treba da bude popracene sa uplatnicom u visini of \$10.

Smatram, i to je misljenje usvojeno na nasim ranijim sastancima, da je vrlo vazno da nase organizacije sudjeluju u ovom Vijecu i imaju svoje predstavnike a osobito na ovom skupu - zato Vas molim da bez odlaganja ispunite i posaljete na (moju) adresu, 8 Oyama Avenue, Manly. 2095. prilozenu pristupnicu i novac. Ako saljete cek ili money order, uputite ga ETHNIC COUNCIL OF NSW.

Etnicko Vijece ce da bude jaki socio-politicki forum i ideologija ovog Vijeca ovisi o ljudima koji se nalaze u Vijecu. Ja mislim da treba da ga vode ljudi koji se bore za ravnopravnost svih gradjana ove zemlje, koji se bore za mir i bratstvo, koje je od osobite vaznosti za nase ljude.

Ministarstvo Post and Telecommunication (P.T.T.) donio je radikalne izmjene u vođenje naseg programa i organizacije koje zelee da oglose svoje socijalne, sportko kulturne djelatnosti treba da podnesu pismenu molbu 14 dana unapred, meni ili manidjeru stanice, Mrs. J.Looman,

153 Walker Street, North Sydney 2060. ili  
P.O. Box 471, North Sydney. 2060

Odbor koji je odabran da razmotri buduće aktivnosti radia ZEA podnio je izvjestaj Ministrima, Post and Telecommunication i Immigration and Ethnic Affairs i mi ocekujemo odluku vlade koncem ovog mjeseca.

Pozeljno bi bilo da sve zainteresirane organizacije biraju svog predstavnika ili osoba koja bi bila veza nase organizacije i Vijeca.

Sastanak treba da se odrzi prije konca mjeseca (Augusta) i zelio bi znati kada Vama naj bolje odgovara - u vecer preko sedmice ili u subotu poslije podne. Do nekoliko dana povezat cu se telefonski sa vama da cujem vase misljenje u nadi da ce mo naci naj pogodnije vrijeme za svi nas. Moje licno misljenje je da bi se sastali u subotu poslije podne, na 21 Augusta ove godine u Yugalu.

Poslije ovog sastanka pozeljno bi bilo da se nasi sastanci rotiraju.

Sastanak bi trebao da se zabavi oko slijedecih pitanja:

- a) potvrditi clanstvo i statut b) finansijski izvjestaj c) nominacije UO/ ili biranje U.O. d) pripremiti izvjestaj za vladu NSW i Saveznu vladu.
- e) Rapraviti kongres, Ethnic Council of NSW f) skole itd.

Ako se slazete da odrzimo sastanak u Subotu, 21vog o.m. molim Vas nazovite me cim prije. 977 1856.

12/6/1976.

Postovani prijatelji,

U četvrtak 24tog Juna 1976 Upravni Odbor Vijeca Nacionalnih Zajednica iz Jugoslavije je uspio da ugovori jedan sastanak sa P. Premierom Mr. Neville Wranom koji je u to vrijeme ministar za Etnicka Pitanja ove drzave.

Sastanak ce se odrzati u formi jedne vecere u Yugala Klubu, Hillsdale, koji ce poceti TACNO u 7 sati jer gospodin Wran mora da napusti naj kasnije u 9.30.

Posto je ovo prvi put da je Premijer ove drzave ukazao nam tu cast da se sa nama na ovaj nacin sastane da sasluca nasa misljenja i nase probleme, trebalo bi svakako da svaka organizacija bude predstavljena od naj manje dvojice svojih predstavnika. Pred gospodina Wrana Upravni Odbor se je slozio da pozove i broj drugih istaknutih gostiju.

Taj dan je, dan takodjer kada Omladinska Organizacija Yugala priredjuje svoj prvi folklorni nastup u svoju javnu priredbu na kojoj ce biti njihovi gosti najnovija grupa Estratnih umjetnika iz Jugoslavije "Veliko Poselo".

Sve ove aktivnosti treba da doprinesu unapredjenju i priznanju aktivnosti svih nasih drustava. Sve organizacije bi trebale da organiziraju sto vec prisustvo svojih clanova i prijatelja ovim skupovima i time uvecavaju priznanje gospodinu Wranu za njegov odaziv i interes koje je pokazao prema nasoj etnickoj grupi.

Za Vijece Nacionalnih Zajednica iz Jugoslavije

nam Organizacijama i članovima Vijeća.

Kako Vam je poznato Etničko Vijeće NSW održava Kongres u Nedjelju 11. Aprila 1976 u Sydney Town Hall u 2 sata poslije podne, na kojoj se pozivaju sve etničke organizacije i klubovi da prisustvuju.

Izvršno Vijeće organizacije smatra poželjnim i važnim da što veći broj etničkih organizacija i klubova sudjeluju aktivnim učesnicima svog predstavnika- delegata.

Izvršno Vijeće je poduzelo sve moguće mjere da obavijesti što veći broj organizacija, a mi smo se posebno zainteresirali da pozovemo sve NAS organizacije. U slučaju ako niste dobili poziv niti potrebne formulare za nominaciju, molimo Vas da ispunite ovu formu odmah te izručite meni direktno ili pošaljite na sljedeću adresu: 3 Oyama Avenue, Manly. 2095. Kako vidite iz kopije pisma, naš Welfare Rights Officer dao je otkaz-ovo je za nas veliki gubitak posto nije moguće da ga zamjenimo posto ovi eksperimentalni period završava koncem Juna mjeseca. Moje lično mišljenje je da u našoj organizaciji postajali su neki "nesporazumi" i to je razlog za ovo na cijelu stvar. Očekiva se da će koncem sedmice Federalna Vlada objaviti njihovu politiku u vezi Radio Stanice 2EA. Gdje dobijemo vijest pozvati će na sastanak Vijeća i zainteresirane pojedince.

Rugby Klub Nada je otputovala za Jugoslaviju prošle nedjelje. U New Zealandu su igrali 6 utakmica: 3 pobjedili i 3 izgubili.

RADIO 2EA Ethnic Australia.

Four language groups: Croatian, Macedonian, Serbian and Slovenian, met in the Department of Media last Monday, 25th August 1975, at which 23 people attended. Mr. Brian White the co-ordinator of 2EA programmes outlined the new policy of the Ethnic Radio. These new guidelines will operate for the next six months. In addition new broadcasting hours were discussed. It is a wish of the Media Department that all broadcasting be done "live". The programme will be recorded and repeated next morning. All our representatives felt that they can commence immediately with "live" programmes.

Brian White in reply to a question said that it is up to the sub committee to determine the presentation of programmes. He has no objection to a composite programme.

M. Alagich was elected co-ordinator of Yugoslav Ethnic languages programme and liaison officer.

Meeting agreed that three representatives from each language group will compose the membership of the subcommittee, within the framework of Council (Vijece).

Meeting of the radio committee will be held next Saturday, 30th August at 5pm in The Yugal Prague Club, Hillsdale. It is hoped that all ethnic groups will have selected their three representatives by that date.

---

Media Department has agreed on the following hours: every day from 7pm to 8pm. The night programme will be repeated next morning.

Programme is as follows: (for the next two weeks)

Monday 1st September	Serbian language	7-8pm	Tuesday	7-8 am Rep
Tuesday 2nd "	Slovenian language	7-8pm	Wed	7-8 am "
Wednesday 3rd "	Macedonian Language	7-8pm	Thurs.	7-8 am "

Office in George Street to be fitted as a library, records and other necessary materials be made available for researching, preparation of programming. Copy of each programme be made available before recording for checking and filing.

If a group can not produce programme "live" on any occasions please let me know as soon as possible so that an arrangements can be made to record it. Recording will be done in the afternoon.

I suggest (it is my opinion) that we should introduce each programme as Programme in Yugoslav Ethnic Languages. After this introduction the programme will proceed in the language of the group presenting that particular programme. There has been some requests for a composite program. This matter should be discussed by the sub committee as soon as possible.

New committee for Radio Ethnic Australia will be announced by the Minister soon and it is most likely that a member of our Yugoslav Ethnic Radio Programme will one of its members.

Ni jedno Vijece ma koliko aktivno i dobronamjerno nema mogucnosti opstanka i uspjesnog djelovanja ukoliko nema potporu organizacija koje su u direktnom kontaktu sa nasim ljudima.

NAS STATUT GARANTIRA SAMOSTALNOST ORGANIZACIJAMA - CLANOVIMA NASEG VIJECA.

Dugogodisnja zelja nasih organizacija je bila da se omoguci djeci nasih ljudi da uce nase jezike to je ustvari jedan od zadataka koje je nase Vijece postavilo u program aktivnosti. U vezi toga nase Vijece je podnijelo prijedlog ministarstvu za prosvjetu i naislo na razumljevanja. U vezi toga predlaze se da se za pocetak otvore skole u slijedecim predjelima Sydneya -

Koristimo ovu priliku da cesticamo nasem centru u Newtown-u koji je vec pokazao interest i aktivno i propagirao stvaranje ove ideje. Zelimo da napomenemo da mi nismo aktivno radili na ovom polju posto smo smatrali da je vazno da se aktivnosti Newtownom centra odvijaju bez mjesanja sa druge strane.

Napominjemo da smo nasim dopisom - cirkularno pismo Aprila 1976 i zapisnik sastanka, 4/2/1976, u kojima smo ponovno zamolili da klubovi nominiraju svoje prestavnike u upravi naseg Vijeca.

Potrebno je nominirati slijedece clanove Uprave:  
 Pretsjednik  
 Dva Pod Pretsjednika  
 Tajnika  
 Pom. Tajnika  
 Blagajnika

Dobili smo pismo i racun kuce vlasnika u pogledu prostorija u George Street, Haymarket. Ova situacija do sada nije rijesena ali zbog ozbiljnosti slucaja i kilicina novca rijesenje treba da se donese u sto kracem vremenu.

Pitanje place Mrs. Rosita Pazin, koja je radila 6 sednica mora se rijesiti cim prije. Mrs. Pazin je bila nasa prva Welfare Rights Officer.

Kako sam vas ranije upoznao, Dobromir Kicuroski, W.R.O. dao je ostavku poslije 3 sednice. Ovo je za nas veliki gubitak posto nije bilo moguce da se trazi zanjena posto ovi ekperimentalni period zavrшава koncem Juna ove godine. Moje licno misljenje je da u nasoj organizaciji postajali su neki "neporazuni" i to je utjecalo na cijelu stvar.

RADIO 2EA JUGOSLAVENSKI ETNICKI PROGRAMI.

Poslije vise mjeseci nejasnih stavova sta ce biti sa etnickim radio Savezna Vlada dala je jasno do znanja cijeloj javnosti da nema nikakvih promjena principa na kojim je ovaj radio osnovan i dati okviri njegovog rada. Zatim Savezna vlada formirala je Consultative Committee on Ethnic Broadcasting oiji je zadatak da ispita javno misljenje etnickih grupa o tome kako bi treba da izgleda organizacija funkcionisanje i sadrzina radio satovi 2EA poslije 30 Septembra 1976.

PUNA SJEDNICA VIJECA TREBA DA SE ODRZI PRIJE KONCA MAJA DA RAZMATRI SVA OVA PITANJA. OVOM SASTANKU TREBA DA PRISUSTVUJE NAJ MANJE 6 ORGANIZACIJA DA BI SE MOGLA DONIJETI PRAVO SLUZNA ODLUKA. ## YUGOSLAV ETHNIC PROGRAM - 2EA.

Cijenjeni prijatelji,

Poslije vise mjeseci nejasnih stavova sta ce biti sa etnickim radio 2EA. Savezna vlada dala je jasno do znanja cijeloj javnosti da nema nikakvih promjena principa na kojim je ovaj radio osnovan i dati okvir njegovog rada. Zatim Savezna vlada formirala je Consultative Committee on Ethnic Broadcasting ciji je zadatak da ispita javno misljenje etnickih grupa o tome kako bi trebalo da izgleda organizacija funkcionisanje i sadrzina radio satova 2EA poslije 30tog Septembra 1976.

U narednom periodu do kraja Septembra mjeseca ove godine pripremaoci radio emisija na jezicima jugoslavenskih etnickih grupa striktno ce se predrzavati okvira rada koji su potvrđeni od strane vlade. Prema tome njihov je zadatak da se u svojim pripremama rukovode se zajedničkim ciljem da radio emisija budu na visokom kulturnom nivou i da budu obavezno isključene iz emisija sve one vijesti koje nisu takodjer u skladu sa datim programom.

Grupe ce u svojim programima sprovoditi cistocu principa koji su dati emisijama etnickih grupa od strane vlade i svako narušavanje usvojenim principa biti ce najostrije kritikovano a odgovorno lice snositi ce moralnu i druge odgovornosti.

Razradjujuci program vlade o etnickim radio emisijama nase pripreme grupe za emisije na jugoslavenskih etnickih grupa u proteklom periodu donijele su odredjene zakljucke po kojima su se te pripreme grupe morale pridrzavati u svom radu. U proteklom periodu, usprkos donjetih odluka, s vremena na vrijeme odredjene grupe zastranjivali su u svojim programima sto je bilo iznoseno na zajedničkim sastancima i upozoreno da se u buduci to neponavlja.

Kritike tih zastranjivanja dale su nam dovoljno iskustva da se ona u buduce neće više ponavljati a ako ce ih biti da se poslije toga ni nasloc takovih zastranjivanja neće više tolerisati od strane predstavnika ministarstva Post and Telecommunication.

Svim Organizacijama i članovima Vijeća.

Kako Vam je poznato Etničko Vijeće NSW održava Kongres u Nedjelju 11. Aprila 1976 u Sydney Town Hall u 2 sata poslije podne, na kojoj se pozivaju sve etničke organizacije i klubovi da prisustvuju.

Izvršno Vijeće organizacije smatra poželjnim i važnim da što veći broj etničkih organizacija i klubova sudjeluju aktivnim učestvom svog predstavnika- delegata.

Izvršno Vijeće je poduzelo sve moguće mjere da obavijesti što veći broj organizacija, a mi smo se posebno zainteresirali da pozovemo sve NASE organizacije. U slučaju ako niste dobili poziv niti potrebne formulare za nominaciju, molimo Vas da ispunite ovu formu odmah te izručite meni direktno ili pošaljite na slijedeću adresu: 8 Oyama Avenue, Manly. 2095. Kongres će raspravljati konstituciju i birati članove Izvršnog Vijeća i potrebno bi bilo da imamo u tom odboru našeg predstavnika. Ako smatrate da vaša nominacija neće da stigne na vrijeme, molimo Vas da me nazovete na slijedeći telefon broj 977 1856.

Kako vidite iz kopije pisma, naš Welfare Rights Officer dao je otkaz-ovo je za nas veliki gubitak posto nije moguće da ga zamjenimo posto ovi eksperimentalni period završava koncem Juna mjeseca. Moje lično mišljenje je da u našoj organizaciji postajali su neki "nesporazumi" i to je utjecalo na cijelu stvar. Očekiva se da će koncem sedmice Federalna Vlada obznaniti njihovu politiku u vezi Radio Stanice 2EA. Čim dobijem vijest pozvati će moći sastanak Vijeća i zainteresane pojedince.

Rugby Klub Nada je otputovala za Jugoslaviju prošle nedjelje. U New Zealandu su igrali 6 utakmica: 3 pobjedili i 3 izgubili.

NEWS RELEASE from the Minister for Education, The Hon. Sir Eric Willis.  
Teaching of foreign Languages in Primary Schools.

The Minister for Education, Sir Eric Willis, said today he was hopeful that the range of languages included in the curriculum of primary schools would expand in 1976.

Sir Eric said languages other than English are being taught in ~~some~~ primary schools at present as a result of a growing interest and appreciation of the other cultures which comprise our society.

"During this year, the accent has been mainly on the teaching and learning of German and French due to the resources of materials and teachers available to schools.

"Next year, however, I am hoping that some selected primary schools, which are schools to secondary schools where Italian and Modern Greek are taught, will have these languages included in the curriculum.

"This will give Italian and Greek children opportunities to realise their potential through the language spoken at home and I expect many Australian children will avail themselves of curriculum options in languages which have not existed before," Sir Eric said.

He said that in the first instance, secondary and primary schools will co-operate in Newcastle, Wollongong, and Sydney and in other places where local initiatives can provide opportunities in this most important curriculum field.

Since Italians and Greeks are the largest ethnic groups, the greatest learning demand will be for these languages.

"It should be remembered, however, that all ethnic groups have rights in respect of language learning and that Australian children should be offered the widest possible choice in the language field," Sir Eric said.

"With this in mind it is not difficult to see that the learning of languages other than English could become much more widespread in both primary and secondary schools."

Police have commenced with their investigation in reference to our application as a registered charity. I have been interviewed last week. No doubt they will want to speak to M. Medjelkovski, Ivan Pavro and Vice Nenich. Matter could be finalised within next couple of weeks.

Meeting of the Council was held on Wednesday, 29th October 1975 at the initiative of Mrs. J. Noussair, chairman of the Y.A. Society Newtown. As there was not quorum present no decision was taken. Nevertheless we proceeded and a number of Council's matters were discussed. The appointment of W.R.O. was the main item of our discussion. Majority of those present were of an opinion that we should appoint one WRO rather than two or three as suggested by some. It was felt that all organizations, clubs and societies should be contacted and seek their opinion and decide at the next meeting; one or more persons appointed as WRO.

Next meeting of the Council to be called for 15th November if this is convenient for majority of clubs to attend.

It is hoped that everybody concerned in our Council is versed with the Rules of the organization: - the only body which can appoint or decide any financial matters are the Full Council and the Executive Committee. The sub-committees can make suggestions, nominate but the final decision rests with the Council and the E.C.

Letter from Yugoslav Australian Social Club, Warriewood, (8/10/75) supporting appointment of more than one WRO or part time basis. Owing to pressure of work on farms, particularly this time of the year are unable to attend our meetings presently.

Club Triglav has withdrawn from the Council. On 17th Sept. we asked them to review their position. Their reply on 14th October confirmed their earlier decision. They stated their reasons.

- 1) The Department of Media has confirmed the rates of payments for program packages according to hours of original material provided each week.
- |    |   |       |
|----|---|-------|
| a) | Up to <u>one hour</u> per week of original material | \$35  |
| b) | Up to <u>two hours</u> " "                          | \$70  |
| c) | Up to <u>three hours</u> " "                        | \$105 |
| d) | FOUR or More Hours " "                              | \$140 |

Up to this stage we have received 8 payments:-

Weeks ending -- 7th Sept., 14th Sept., 21st Sept., 28th Sept., 5th Oct., 12th October, 19th October and 9th November. Total sum of \$1120.

Coordinators (Yugoslav languages) have agreed how money is to be dispersed (Memo MMA/11, meeting 21st September 1975) It appears that there is a disagreement within some groups how much is to be set aside for general purpose fund. This matter must be resolved as soon as possible.

- 2) In reference to telex from Brian White, 16th Oct. 1975, the Sydney Committee has agreed to allow politicians time on the air. It should be duty of the manager and co-ordinator to see that they are fair in the distribution of time given. No individual broadcaster will be allowed to interview a politician without having first discussed the matter with the co-ordinator. In our case it is the Yugoslav Ethnic Languages Co-ordinator.

### 3) 2EA AFTER MARCH 1976.

All political parties in Australia now recognise the need for broadcasting facilities to be made available to minority groups in the community. It is important to keep in mind that Ethnic groups (of non-English speaking origin) now represents nearly 25% of Australia's population. They believe that for too long they have been denied access to entertainment and information in their mother language.

The former Minister Dr. Moss Cass, in his press statement on 27th August 1975 said that the two stations, 2EA (Sydney) and 3EA (Melbourne) will aim to be self-sufficient at the end of the extended 6 months experimental period. As a result the committee came up with the following proposals:-

After detailed consultation with the Deputy Crown Solicitor's Office it was found that the alternative processes of a cooperative, or private company, or company limited by share capital alone, have been found to be unsuitable.

Proposal of the first committee to establish a company similar to that of Commonwealth Hostels is also unsuitable on the policy ground that the Government (Labor Government) does not want to be seen as maintaining continuing control over the affairs of ethnic station.

The proposals therefore is to establish, in each city, a company limited by guarantee, under the respective State Companies' Acts.

The committee plans to have 15 directors and the subscription will be \$5 and one vote.

Procedure have been discussed and are in process of being finalised. This is the area in which our Council, through its sub committees can play important role.

- 4) There are 13 additional ethnic language groups seeking time on the air. Two were about to be introduced but the political crisis in Australia may cause them to be delayed.

The following ethnic groups are seeking time on the air in Sydney -

Russian (three hours per week) Czechoslovakian 2 hours, Hungarian 2 hrs. Estonian 2 hrs., French 2 hours, Chinese 2 hrs., Armenian 2 hrs., Latvian 2 hrs., Portuguese 1, Hindi/Pinjab 1, Assyrian 1, Dutch 1, Ukrainian 1 and Hebrew 1 hour.

1. **GUIDELINE** Broadcasters who have taken on this job must comply with all decisions of various committees (Sydney and National) and what is more important is that we have all confirmed those decisions. Unfortunately this has not been the case and on too many occasions the guidelines were breached. A minor deviation from the guidelines on some occasions is unavoidable, but the persistent breaching of the policy can not be tolerated. This is a team work and we must work as a team.

**INTRODUCTION OF PROGRAM** should be as follows:

This is Radio 2EA, the voice of Ethnic Australia.

Yugoslav Ethnic Program, broadcasting in .....language.

One broadcaster has substituted above with "four languages from Yugoslavia" This has been accepted. If any of the above are omitted in future, it will be considered as a serious breach of the policy.

2. **NATIONAL ANTHEM** no national anthem is allowed to be played on 2EA. The First and the present Sydney committee have directed all coordinators and broadcasters that no national anthem be played. The question of National Anthems was brought up again at the meeting of 8/9/1975 (Sydney Committee) and it was resolved (resolution 7.3) "The committee agreed that no national anthem should be broadcast on 2EA". This is also applicable to 3EA Melbourne. Once again we all have discussed this matter and agreed with the decision of Sydney Committee.

This rule has been breached on two occasions. I ask all broadcasters to cooperate and avoid this happening again. Playing of National Anthem will be considered as a serious breach of National and Sydney Committees direction. This is not a question of like and dislike, but abiding by the rules.

3. **MAKEDONSKI JEZICNI PROGRAM.**

There are a number of complaints from Macedonian-Australian People's League in regard to some announcements made in reference to a meeting held on 26th Oct. in Rockdale. This matter was brought to the notice of the National and Sydney Committee. No action is contemplated. It would be advisable to avoid any controversial matters, particularly if any action on the Radio 2EA could precipitate division in the community.

This matter was discussed earlier and policy was spelled out in the Memo MA/8, section 3.

4. It has been noted that some broadcasters give very little or no information to their listeners. Please note that the prime purpose of ethnic broadcasting is to inform and entertain Australians whose main language is one other than English.

Emphasis is too much on "requests for birthdays etc"

5. **TO CONCLUDE THE PROGRAM.** broadcasters are requested to make sure that at the end of their program, announcement is made that the next program will be in ..... language. Some are only mentioning their own next program in four days. Most of the broadcasters have been announcing other language programs regularly.

6. There have been occasions where broadcasters have arrived at studio only minutes before they were due to record, and on several cases, only minutes before they were due to go "live". This does not apply to our teams. Broadcasters for "live" programs must be at the studio 15 minutes beforehand.

7. **VISITING ARTISTS FROM YUGOSLAVIA.**

Can be interviewed on Radio "live" or pre recorded. Their program can be announced.

8. It is not a bad idea that all broadcasters have a program in reserve which can be used in an emergency.

AS SOON AS I CAN GET ALL COORDINATORS AND SPEAKERS TO AGREE ON A DAY (convenient to most) MEETING WILL BE CALLED. Have been trying to find a suitable place near studio. Have you any place to suggest?

Dear Sir,

Based on your letter from 17.9.75 regarding changes in the proposed Memorandum of Council of National Communities from Yugoslavia our Board had a long discussion about our membership in the Council. It has been resolved that Triglav Club Ltd. will NOT participate in the Council.

Dear Mr. Alagich,

I found myself unable to perform my duties as a welfare rights officer. I had neither the experience nor the personal characteristics needed in this position. What is more, I found that I had lost touch with the Yugoslav community; I had become too Australian.

I sincerely regret the great inconvenience and embarrassment I am causing you, but I feel that I must resign. I apologise to all the members of the committee and in particular to you, Mr. Alagich, and to Mrs. Nausa.

Please, try to understand my situation

23rd April 1976

Dear Sir, Re room -3rd floor, 647 George Street, SYDNEY.

Following negotiation with your Secretary, Miss Rosa Pazin, we agreed to Rent a Room on the 3rd floor of the above mentioned Property from 1st. July, 1975 at \$25.00 per week. This room was kept for your Committee until the end of February, 1976 at which time we were informed by Committee members that it was not required.

As costs have been incurred totalling \$2,300.00 for Partitioning and as Rent has never been paid we are hereby requesting your action to enable such costs to be met. The total outstanding is \$ 3,150.00 made up as follows:

Rent 34 weeks @ \$25 per week	\$ 350.00
Partitioning	\$ 2,300.00
	<u>\$ 3,150.00</u>

No lease was signed due to the fact that the Subsidy has not yet been received from the Australian Government which action would establish the Group's Official Role in Ethnic Affairs. But it was understood that as soon as the Group's standing was legally finalised a Lease would be signed. In the meantime as a result of discussion with your Miss Pazin and the Committee we undertook to provide and erect, and did so provide and erect, partitioning for Offices.

As this matter has been outstanding now for some time pending clarification of your Committee's proposed course of action we would appreciate your early action to finalise the transaction by the payment in full of the claim submitted herewith.

Yours faithfully,

Yonora Enterprises. (signed)

OUR REPLY. on 5th July 1976.

Dear Sir,

I received your letter, dated 23rd April and 7th June 1976 and have made numerous enquiries about this matter.

It seems that there has been a misunderstanding because I cannot find any evidence of a definite agreement to lease the premises from your from 1st July, 1975. I know that we were hoping to lease the premises but that any agreement with you at all was entirely subject to a subsidy being received by us and the plan was that when the subsidy was received, we would then discuss with you all details of any lease.

The facts are that some of our members of the committee has gone cold, particularly since the death of late Ivan Kosovich who was mainly behind this move, on the idea of leasing from you before any subsidy came through and thus there never has been any agreement with you to rent your premises.

This I cannot see how the committee is liable for any payment to you at all.

Yours faithfully, M.M. Alagich, Sec. C.M.C.Y.

Further letter from the owners. 23rd July 1976.

..... We acknowledge receipt of your letter dated 5th. July 1976.

The facts of the matter are as we view it are as follows:

1. On quite a number of occasions assurances were given by your Committee members on payment of rent as they stated, on registration of the Association the Government would release money to the Association thus making Funds available for such payment.  
In your letter under reply you state that the Lease was subject to the Subsidy being received. At all times we were advised the receipt of the Subsidy was assured once the Association was registered.
2. Offers of lease the particular area were received by us from other prospective Tenants during the negotiations but we were told to hold the floor space as your Association was only awaiting finalisation of Registration. This is confirmed by the publishers of Novo Doba.
3. We received definite Instructions from your Secretary and other Members of the Committee as to your requirements and we accordingly proceeded with necessary Partitioning.
4. Our carpenter (Yugoslav) was asked by your committee members to expedite his work and as a result he worked right through some weekends as occupation was required the week after he completed the work.

5. Mr. E. Aroney was asked to have the Electricity connected in order that meeting could be held at night. He was also asked to provide if he had then a Table and some chairs and to leave the keys on the First Floor or to leave the office open for a meeting to be held therein.
6. At no stage did we have any negotiations solely with the late Mr. Ivan Kosovich.

We agree that no written Lease is in existence. However, there was in our opinion a Gentleman's Agreement and as a result your Committee is not relieved of its Contractual obligations.

In the circumstances we feel that we are adopting a commonsense approach when we are prepared to negotiate and to make some allowances on the Partition. But we can not agree to release your Association from, in our opinion, its obligations to pay the rent in full as outlined in our letters of 23rd April and 7th June, 1976 viz. Eight hundred and fifty dollars. (\$850).

Your early reply to this letter would be appreciated.

Yours faithfully, Yenora Enterprises. (signed)

AN ARTICLE WHICH APPEARED IN THE SYDNEY MORNING HERALD ON Saturday, 31 July 1976.

MARK STIRS RADIO STORM. (The Inside Column, edited by Peter Durisch.)

When Sydney Ethnic radio station 2EA recently broadcast readings from Karl Marx and Friedrich Engels in the Slovene language, our virulently anti-communist Slovene community rose in furious protest.

"When we complained, they said it was from a school book," said Mr. Vladimir Monart, a Slovene and chairman of the N.S.W. Consultative Committee on Ethnic Affairs.

"My guess as to why they did it is as good as yours".

The complaint reached the Department of Posts and Telecommunications, which is responsible for ethnic radio, and which yesterday confirmed to us that the broadcast had occurred.

"We have spoken to people responsible for that broadcast", said a departmental spokesman. "They were told how foolish they were and that it was against the guidelines. They have guaranteed that it won't happen again. That's all we can do".

This incident is only the tip of the iceberg that is steadily surfacing in the stormy waters now threatening to engulf ethnic radio in Australia.

In particular, the Yugoslav Ethnic groups are becoming increasingly vocal and critical of the programs transmitted in their four main languages of Croat, Slovene, Serbian and Macedonian. The air is thick with allegations that our ethnic airwaves are carrying little more than biased communist propaganda.

"I know that, for the Slovene program, they get weekly telex from Yugoslavia," said Mr. Monart, a solicitor. "They just read it out; it's very one-sided. It's biased pro-Titoist propaganda."

The rivalry between many members of Sydney's various Yugoslav groups is notorious and perhaps matched only by their common distrust - often hatred - for President Tito's communist regime.

To broadcast almost anything in these languages is to court trouble. And trouble is exactly what ethnic radio has in plenty at the moment.

"In Sydney there are six or seven Croatian Clubs, and associations," said Mr. Fabian Lovokovic, editor of the Croat newspaper Spremnost. "None of their functions is ever mentioned on the Croat radio, but such things as visits from Communist performers are widely publicised on their programs."

"A number of our people have written to them about it, but they never got a reply. These reactions, widely shared among the Yugoslav groups in Sydney, pose distinctly thorny problems for the Government."

"We don't straight out that communist propaganda is simply read out in the news," said the departmental spokesman. "When we get complaint, we check the tapes. The guidelines state clearly that the broadcast cannot say things that may exacerbate ethnic differences."

The entire future of ethnic radio is now in the melting pot. Observers feel that politically they cannot simply kill it. A decision on its future is expected within a matter of weeks. But as one senior Government source put it yesterday:

"The whole thing is a can of worms. It doesn't help assimilation. I wish we'd never heard of it."

WELFARE RIGHTS OFFICERS - some role ideas.

#### EDUCATOR FACILITATOR ADVOCATE

- 1) At the community level - information concerned with living in Australia
  - way of life in Australia, political structure and history, particularly where ethnic communities are involved.
  - resources available to meet normal needs and how to tap them; SOCIAL SECURITY, COMMONWEALTH EMPLOYMENT SERVICE, MEDIBANK,
  - resources available in distress or emergency; voluntary agencies, telephone interpreter service, legal aid
  - personal initiative required of migrants, e.g. finding a house, employment changes, children's schooling, duties as a resident of Australia

#### DELIVERY OF THIS INFORMATION MIGHT BE THROUGH:-

- printed material - publication of regular information column in ethnic newspapers, distribution of migrants language "fact" pamphlets
  - visit to migrant groups, clubs, particularly to club functions where large number may be reached
  - ethnic radio, community access radio/TV
- 2) At the service delivery level by liaising with community agencies and by assisting in in-service training programmes of Government departments to engender a sympathetic understanding of the situation of the disadvantaged in the community, e.g. the cultural background of migrants with particular emphasis on customs and attitudes of overseas countries relevant to the work of those departments and agencies.

#### FACILITATOR/ADVOCATE.

At the personal level

- to pass on information regarding welfare entitlement
- to assist people in obtaining entitlement as their right
- to explain their duties as resident of Australia
- without being themselves involved, to help overcome interpreting problems with solicitors, doctors, estate agents, teachers, etc
- to visit organizations such as hospitals, Government Departments, police, schools, firms employing large number of migrants, etc., to advise a proper understanding of the needs of disadvantaged people and to make themselves available to help in a variety of situations
- to assist in the development of constructive activities in migrant communities, eg "Saturday morning" and other special schools, language and conversation groups, etc.
- to provide a channel of negotiation with senior officers of Government Departments, Members of Parliament etc
- to be a voice for migrants and disadvantaged groups in bringing particular problems to the notice of appropriate authorities
- to meet with other welfare agencies working with migrants and disadvantaged groups to explain the welfare rights functions and encourage joint activities.

These are only few ideas and many more will be introduced when the committee sit together and discuss. (with plans and suggestions submitted)

Mrs. Rosita Pazin resigned due to ill health. We wish her quick recovery.

The committee is toying with the idea to employ more than one welfare rights officer (part time) and to be divided in regions. This would be for an experimental period of, say 3 to 4 months. At the termination of this period position will be looked into once again.

The allocation of funds will commence from October 1975 and terminate in October 1976. Welfare Rights Officer/Officers must be appointed within next 6 weeks.

HISTORICAL SEGMENTS HAVE A DEFINATE PLACE IN ETHNIC RADIO, BUT THEY SHOULD REALLY BE ABOUT AUSTRALIAN HISTORY, RATHER THAN THE HOMELANDS- BECAUSE IT IS ABOUT AUSTRALIA THAT YOUR LISTENERS NEED TO KNOW. (MMA/16 GUIDELINE Brian White 28th January 1976.)

It is most important that we keep this in mind when preparing programs!!!

Dear Sir,

Further to my letter of resignation, I wish to remind you that I have not received any advice from you in regard to the wages and expenses due as from 29th May 1975 to 11th July 1975, when I was employed by the above organisation as a Welfare Rights Worker. I spoke to Mr. Don Hegarty in regard to this, and he suggested that I write a letter to you together with an account for wages and expenses due. Please note that it is well over two months since my resignation, and surely I should have received the payment by now.

Wages and expenses are as follows:

From 29/5/75 to 11/7/75	= 6 weeks and 1 day
6 weeks at \$138.46 per week	= \$830.76
1 day " " " " "	= 27.69
\$500 expence money per annum divided by 52 weeks = \$9.61	
6 weeks at \$9.61	= 57.66
TOTAL	<u>\$916.11</u>

In request this to be paid as a lump sum payment.  
Thanking you and hoping to hear from you soon.
